

Motion for access to legal documentation and case law

RE: Christopher Davis v Richard Kaarny
 Civ. Act. No. 06-421-JJF
~~Third Circuit No. 06-5593~~

11/14/6

To the court:

I am in receipt of the State's response to my petition for writ of habeas corpus dated Nov. 6, 2006. As this took over a week to reach me, please advise counsel to send things to my address at S.C.C.C..

I wish to be presented the opportunity to review the case law and procedure that counsel has brought up in their reply. I wish to be afforded the opportunity to prepare an opening brief to the court and to reply to the respondent's argument to the court. Unfortunately, as I have informed the court and Deputy Attorney General by previous letter, I have been denied access to a law library since being transferred from S.C.I..

In all fairness to D.O.C., they have no law library on the premises. By their phase system, it took me almost 3 months until I was eligible to apply for an outside pass, and in the month that I have been in the appropriate phase, they have allowed me out to visit the library one time. The bureaucracy is slow and un dependable. I need to be afforded access to the appropriate information on a regular, if not daily, basis. Thus I petition the court to direct the officials at the Sussex County Work Release Center to cease from hindering my access to the legal documentation I need. Please issue a directive for them to allow me weekly access to the local law library and daily access to the Lexis Nexis on the computer at the Del. Tech. Library, as needed,

Thank you
 Christopher Davis
